

CERTIFICATE OF SPECIALIZATION

Criminal Law

Juris Doctor students who have demonstrated a specialized proficiency in criminal law may receive a Certificate in Criminal Law in addition to their Juris Doctor degree.

To qualify for the certificate, students must complete the following requirements:

- 1. Students must meet all general requirements for a J.D. degree.**
- 2. Students must complete a total of 17 semester credit hours that must include:**
Criminal Procedure (3-4)
Evidence (3-4)
and **the remaining necessary credits of elective study to reach the required 17 hours from the following courses** (not all of which are offered each year):

- Advanced Criminal Law
- Advanced Criminal Procedure
- Crime Victims' Rights
- Criminal Process Course and Externship
- Criminal Penalties/Sentencing
- Current Issues in Criminal Law
- Directed Research on a criminal law topic under the super-vision of a criminal law faculty member (up to 2 credits)
- Environmental Crimes
- Federal Criminal Law
- Innocence Clinic
- International Criminal Law
- Juvenile Court Law
- Perspectives on Counterterrorism
- Seminar with a criminal law focus
- White Collar Crime

Due to the evolving nature of the law school curriculum, new courses or seminars may count toward the certificate course requirements; inquiries about whether a particular course qualifies should be directed to the Associate Dean for

Academic Affairs, who will consult with the relevant faculty members as necessary. The Associate Dean for Academic Affairs also has the authority to remove courses from the above list of electives if they are no longer offered.

Non-law school courses may be taken to fulfill the elective credit requirement with prior approval by the Associate Dean for Academic Affairs. Such courses will be approved by the Associate Dean for Academic Affairs in consultation with the relevant faculty members.

- 3. Students must complete all certificate requirements with at least a B overall average and no grade lower than a B- in courses taken to satisfy the certificate.**
- 4. Normally, students earning the Criminal Law certificate must complete the Criminal Process Course and Externship, and it is strongly recommended that students do so. However, for good cause shown, such as when a student does not intend to pursue a career as a prosecutor or defender, the Associate Dean for Academic Affairs may waive this requirement. In making such decisions, the Associate Dean for Academic Affairs will consult with relevant faculty members. Only 3 credit hours of any externship, including the Criminal Process Externship, may be counted toward the 17 credit hour requirement for this certificate. Please note that Trial Advocacy is a prerequisite to the Criminal Process Externship.**
- 5. Students must write a paper that satisfies the Seminar Paper Requirement dealing with criminal law.**
- 6. A student may not exercise a CR/NC option in a course that counts toward the certificate.**
