

## CERTIFICATE OF SPECIALIZATION

# Intellectual Property Law

**Juris Doctor students who have demonstrated a specialized proficiency in intellectual property law may receive a certificate in intellectual property in addition to their Juris Doctor degree.**

To qualify for the certificate, students must complete the following requirements:

- 1. Students must meet all general requirements for a J.D. degree.**
- 2. Students must complete a total of 17 semester credit hours that must include:**
  - Patent Law (three credits)
  - Copyright Law (three credits)
  - Trademark Law (two to three credits)
  - And the remaining credits of elective study chosen from a range of intellectual property law courses (not all of which are offered each year).

Due to the evolving nature of the law school curriculum, new courses or seminars may count toward the certificate course requirements; inquiries about whether a particular course qualifies should be directed to the associate dean for academic affairs, who will consult with the relevant faculty members as necessary. The associate dean for academic affairs also has the authority to remove courses from the list of electives if they are no longer offered. Non-law school courses may be taken to fulfill the elective credit requirement with prior approval by the associate dean for academic affairs. Such courses will be approved by

the associate dean for academic affairs in consultation with the relevant faculty members.

Non-law school courses may be taken to fulfill the elective credit requirement with prior approval by the associate dean for academic affairs. Such courses will be approved by the associate dean for academic affairs in consultation with the relevant faculty members.

- 3. Students must complete all certificate requirements with at least a B overall average and no grade lower than a B- in courses taken to satisfy the certificate.**
- 4. Students must write a paper that satisfies the seminar paper requirement dealing with intellectual property law.**
- 5. Students may apply a maximum of three credit hours earned while participating in an intellectual property externship toward the 17-credit hour requirement. The three-credit limit for externship hours does not include hours taken in a required course associated with the externship.**
- 6. A student may not exercise a CR/NC option in a course that counts toward the certificate.**

**Note:** The requirements shown here apply to students who begin the J.D. program in 2022 or later. Certificate requirements differ for students who began the J.D. program in 2021 or earlier, and can be found at [sjquinney.utah.edu/degrees-and-programs](https://sjquinney.utah.edu/degrees-and-programs).
